

IKEOGU ZIKORA IFECHUKWU

Web Developer | Administrative Professional

"Bridging digital innovation vision through clarity, craft, and purpose."

Port Harcourt, Nigeria | zikoraikeogu5@gmail.com | 08075005248 | izik.netlify.app

Versatile Web Developer with 2+ years of experience creating responsive, efficient, and user-focused digital solutions using PHP, JavaScript, TypeScript, React, HTML, CSS, TailwindCSS, and Bootstrap. I build with intention — where practical function meets thoughtful design. With a solid background in administrative support, I bring organization, reliability, and clear communication to every project.

Key Skills

- **Core Competencies:** Problem-solving, Critical Thinking, Attention to Detail

Work Experience

Administrative Assistant — [Sitrid International School], [Port Harcourt]

September/2025 – Present

- Provide administrative support including record-keeping, filing, and correspondence.
- Assist staff and students with inquiries, scheduling, and documentation.
- Maintain organized databases of school resources and student records.
- Support reporting and communication between management, teachers, and parents.
- Introduced digital tools to improve efficiency in document management and communication.

Web Developer (Freelance/Personal Projects)

September/2024 – Present

- Designed and developed websites using PHP, JavaScript, HTML, CSS, TailwindCSS, React, and Bootstrap as needed.

- Collaborated with a small developer team to build a fully dynamic, user-friendly school website.
- Created an intuitive admin dashboard that allowed non-technical staff to update site content without writing code.
- Built secure backend functionality for handling form submissions, including the upload and management of student results.
- Engineered database structures and interactions to support student registration, records management, and long-term data integrity.
- Integrated a student performance lookup system that enabled parents to access their child's academic results via a unique ID — improving transparency and engagement.
- Developed a fast, one-click donation platform using Paystack and Stripe payment gateways, with a secure, admin-only dashboard accessible via a unique key for managing all payment records.

Education

Diploma/Certificate in Computer and Office Management – [Xplorers Computer School, Port Harcourt], 2025

- Covered Microsoft Office Suit (Word, Excel, and PowerPoint).
- Gained hands-on experience in office and business management.
